Recommendation

To Whom It May Concern:

It is with much enthusiasm that I am writing this professional recommendation for the security services agency PROTEKTOM. Mr Tomasz Bubala has been a pleasure to work with, bringing his dedication and thoughtfulness with managing his team and providing services during the climate change conference organised by the United Nations in Katowice in 2018, Poland (COP24).

PROTEKTOM agency has provided us with 24h security services, cleaning services as well as event coordination support for two weeks long conference. The staff was exceptionally professional, with good attention to details and excellent people skills. Every staff member was punctual and well-prepared for their shift.

I thus highly recommend Mr Tomasz Bubala and PROTECTOM agency. Despite its young validation, I can assure that their skills set and experience are higher than average and certainly worth a while.

Please contact me at the email or phone number listed here if there is any other information I can provide.

Sincerely,
